

FIRST Robotics Competition - 2022 DECC Parking Information

Parking Arrangements

DECC Parking Fee: \$10 per day per parking space
\$20 per day for oversized vehicles or vehicles pulling a trailer

Trailers/Vans/Trucks- Park in DECC's Southeast Lot (Look for Robotics Signage).

Overflow Parking Options:

- Northwest corner of DECC Lot (North of AMSOIL Arena) See parking fee above.
- Bayfront Lot B (West on Railroad St.) Must park in West End of lot near dumpsters. No charge.

Busses/Semis- After unloading, park at Bayfront Lot B (West on Railroad St.).

Must park in West End of lot near dumpsters. No charge for this lot.

Multi-Day Parking is available.

- Teams/Vendors who plan to park in DECC Lot each day will pay for the entire stay as you enter.
- A receipt will be issued for the number of days paid.
- Save and show this receipt when re-entering.
- If vehicle/trailer will not be leaving the lot, a receipt will be issued to post in visible location of vehicle/trailer.

Team Load-In:

There will be no charge to park during Load-In on Wednesday. Regular rates apply for Thursday-Saturday.

Lake Superior Teams load in at Garage Door 9.

Please enter the DECC Parking Lot from the North Parking Gate on Railroad Street.

Our Traffic Directors will be present to direct your vehicle.

Northern Lights Teams load in at Garage Door 7.

Harbor Drive will be closed from the Aquarium to our East Parking Gate beginning at 5:30pm.

Only Robotics team vehicles will be allowed on the road during this time.

Please enter from 5th Ave. W./Great Lakes Aquarium.

Traffic will flow one-way, west to east.

Our Traffic Directors will be present to direct your vehicle.

Team Load-Out:

The DECC will be busy with events on your last day of competition.

For a safe and efficient load-out, we ask that you adhere to the following Load-Out Instructions.

- Line up at your designated door only when ready to load-out.
- Please keep in close contact with your driver to coordinate your load out location and time.
- Team vehicles are not allowed to pull up to the doors until your team is at the front of the line to move out.

ALL Teams load out at Garage Door 7.

Harbor Drive will be closed from Entrance F to our East Parking Gate beginning at 11:30am.

Only Robotics team vehicles will be allowed on the road during this time.

Please enter from 5th Ave. W./Great Lakes Aquarium.

Traffic will flow one-way, west to east.

Our Traffic Directors will be present to direct your vehicle.

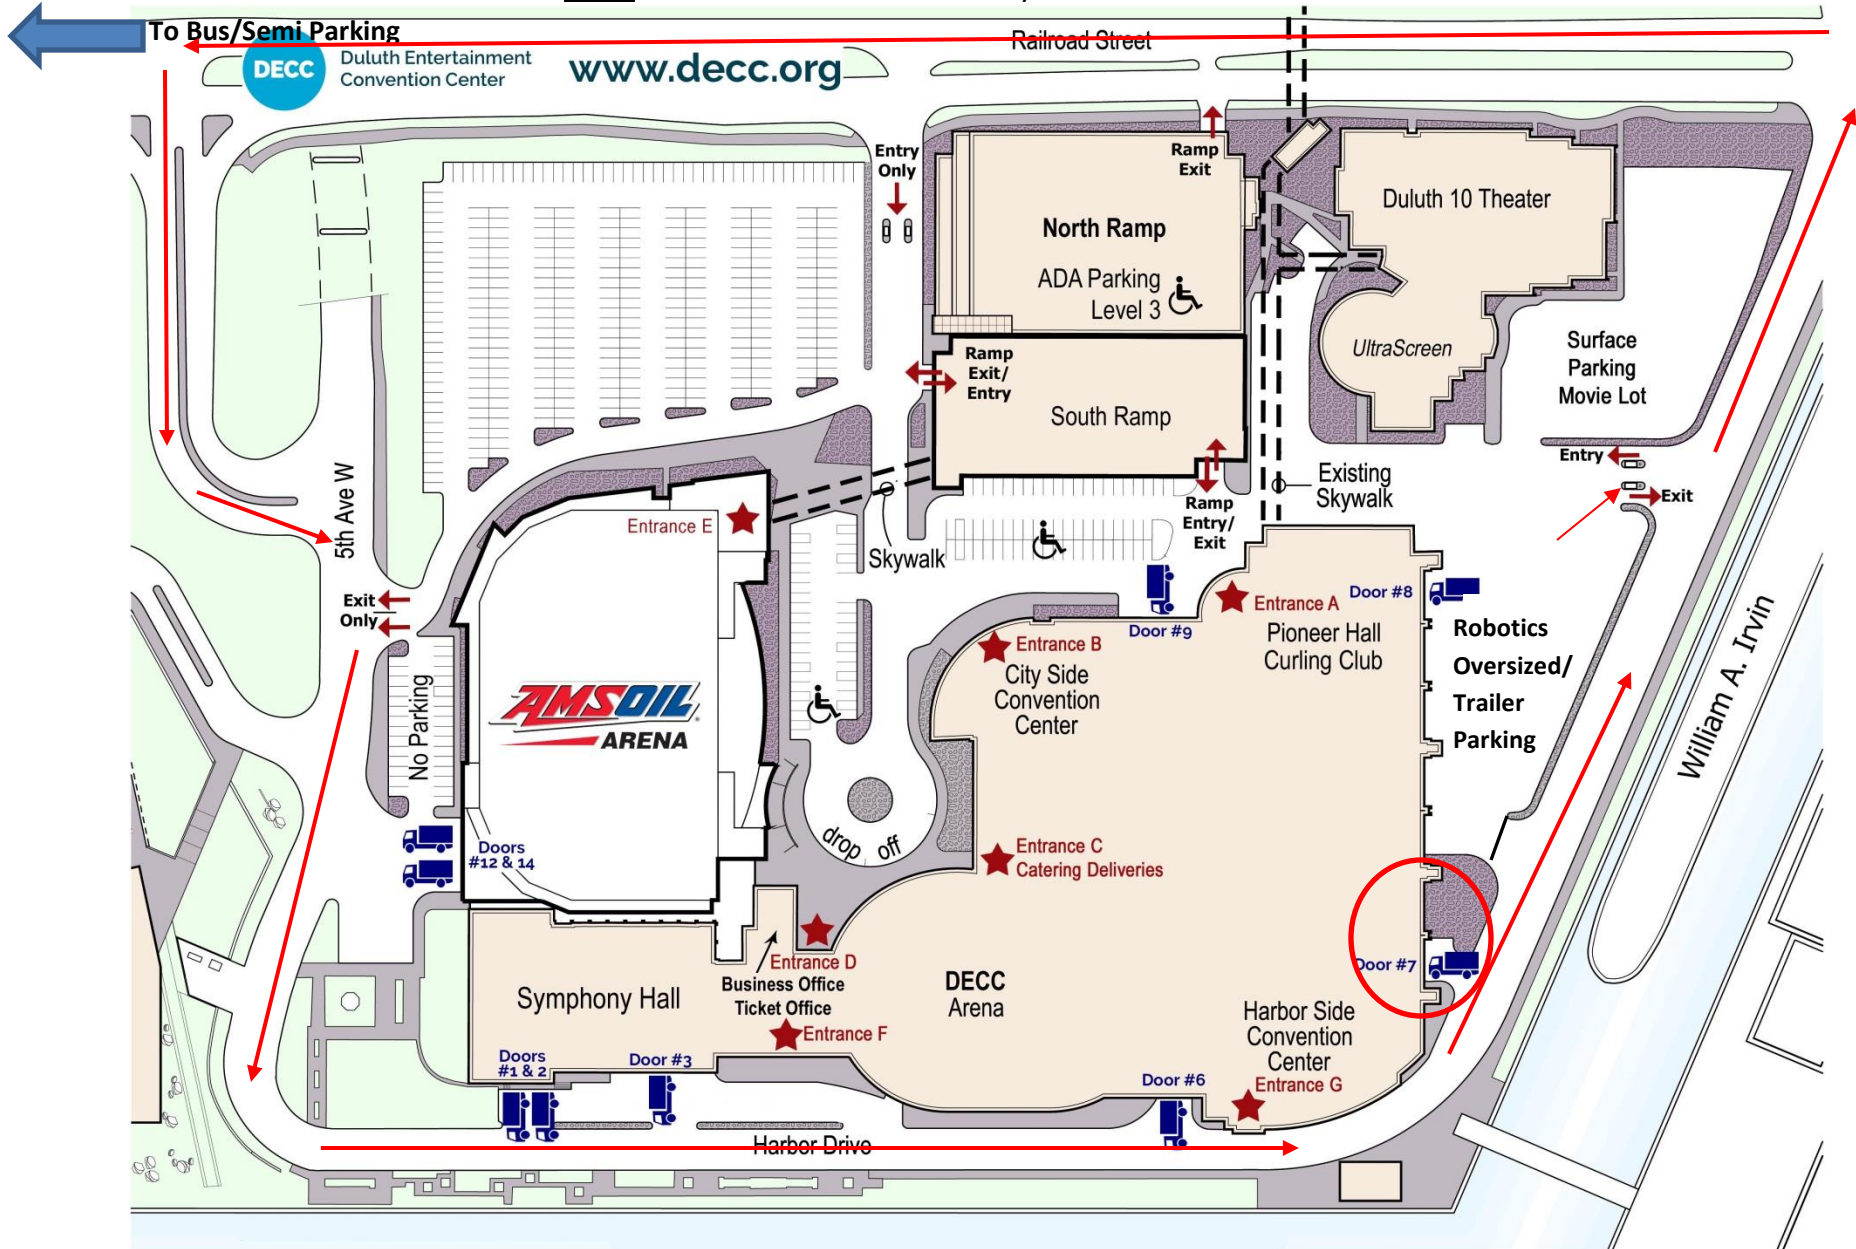

Please see attached maps specific to your regional competition.

Questions can be directed to DECC Parking, 218-623-1283.

2022 Northern Lights Move-In and Out Route

All NLR Teams are to move in and out Door 7. Team Vehicles are to follow the red lines on the map below.

Team vehicles should arrive at the entrance ONLY when the entire team is ready to move out.

If walking to and from the DECC, please keep to sidewalks and designated walkways. There will be heavy traffic in the parking lot and surrounding roadways on Friday and Saturday.
